Independent Auditor's Report

To the Board of Directors
Eureka Pointe Community Improvement District
Eureka, Missouri

We have audited the accompanying cash basis financial statements of the governmental activities and each major fund of Eureka Pointe Community Improvement District as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash basis financial position of the governmental activities and each major fund of Eureka Pointe Community Improvement District as of June 30, 2020, and the respective changes in cash basis financial position thereof for the year then ended in accordance with the cash basis of accounting as described in Note 1.

Independent Auditor's Report (Concluded)

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Other Matters

Our audit was conducted for the purpose of forming opinions on the financial statements as a whole that collectively comprise Eureka Pointe Community Improvement District's basic financial statements. The management's discussion and analysis and budgetary comparison information on pages 3-5 and 15-23, which are the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 17, 2020, on our consideration of the Eureka Pointe Community Improvement District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Eureka Pointe Community Improvement District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Eureka Pointe Community Improvement District's internal control over financial reporting and compliance.

**Management's Discussion
and Analysis**

Eureka Pointe Community Improvement District

Management's Discussion and Analysis

For the Year Ended June 30, 2020

(Unaudited)

The discussion and analysis of the Eureka Pointe Community Improvement District's financial performance provides an overview and analysis of the District's financial statements for the year ended June 30, 2020. It should be read in conjunction with the accompanying basic financial statements.

FINANCIAL HIGHLIGHTS

- The assets of Eureka Pointe Community Improvement District exceeded its liabilities at the close of the year ending June 30, 2020 by \$51,632. Of this amount, \$42,763 (unrestricted net position) may be used to meet the District's ongoing obligations to citizens and creditors.
- The assets of Eureka Pointe Community Improvement District exceeded its liabilities at the close of the year ending June 30, 2019 by \$41,471. Of this amount, \$33,288 (unrestricted net position) may be used to meet the District's ongoing obligations to citizens and creditors.
- The District's total net position increased by \$10,161 for the year ended June 30, 2020. The primary reason for this is because the District received \$50,214 in total revenues and spent \$40,053 in total expenses.
- The District's total net position decreased by \$14,382 for the year ended June 30, 2019. The primary reason for this is because the District received \$47,276 in total revenues and spent \$61,658 in total expenses.
- The District did not issue any additional debt for the years ending June 30, 2020 or 2019.

USING THIS SPECIAL PURPOSE FRAMEWORK

The financial statements are presented on a basis of cash receipts and cash disbursements, a basis of accounting other than Generally Accepted Accounting Principles (GAAP). These statements include all assets and liabilities arising from cash transactions; a basis of accounting takes into consideration all of the current year's revenues collected and expenditures paid, but does not include capital assets, amounts due in the future from others, or liabilities payable from future revenues.

OVERVIEW OF THE FINANCIAL STATEMENTS

The discussion and analysis serves as an introduction to Eureka Pointe Community Improvement District's basic financial statements. The District's financial statements are comprised of two components, combined government-wide and fund financial statements and notes to financial statements. This report also contains other supplementary information in addition to the basic financial statements.

Combined Government-wide and Fund Financial Statements

Government-wide and Fund financial statements are combined as allowed by the Governmental Accounting Standards Board for special purpose governments. As such, these combined statements show each major fund as well as the primary government as a whole.

Governmental fund - All of the District's basic services are reported in governmental funds, which focus on how money flows into and out of the funds and the balance left at year-end that is available for spending. The funds are reported using the cash basis of accounting. This measurement focus reports on revenues received and expenditures paid during the period. The governmental fund statements provide a detailed short-term view of the District's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the District's programs.

The Eureka Pointe Community Improvement District internally maintains six individual governmental funds. Information is presented in the Statement of Net Position - Cash Basis, for the General Fund, the Debt Service Fund and the Project Fund, which are considered major funds. The General Fund consists of: the Special Trust Fund, the Revenue Fund and the Operating Fund. The Debt Service Fund consists of: the Debt Service Fund and the Redemption Fund. Internal fund information is shown as other supplementary information.

PROPERTY, PLANT AND EQUIPMENT AND DEBT

Property, Plant and Equipment

During the years ending June 30, 2020 and 2019, the District had no additional investments in improvements and project costs.

Debt

As of the year ended June 30, 2020, the District had \$263,417 in revenue notes payable. The District made principal payments of \$9,415 and interest payments of \$20,266 during the year.

As of the year ended June 30, 2019, the District had \$272,832 in revenue notes payable. The District made principal payments of \$32,397 and interest payments of \$20,861 during the year.

Management's Discussion and Analysis

For the Year Ended June 30, 2020

(Unaudited)

FINANCIAL ANALYSIS OF THE DISTRICT'S MAJOR FUNDS

General Fund Budgeting Highlights

For the fiscal year ending June 30, 2020, actual expenditures on a budgetary basis were \$10,372 compared to the budgeted amount of \$11,320. The \$948 positive variance is the result of the District budgeting too much for legal and professional fees.

For the fiscal year ending June 30, 2020, actual revenues on a budgetary basis were \$50,208 compared to the budgeted amount of \$55,000. The \$4,792 negative variance is mainly the result of the sales tax revenues being less than budgeted for by the District.

Debt Service Fund Budgeting Highlights

For the fiscal year ending June 30, 2020, actual expenditures on a budgetary basis were \$29,681 compared to the budgeted amount of \$54,688. The \$25,007 positive variance is mainly the result of the District budgeting too much for revenue note principal repayment.

For the fiscal year ending June 30, 2020, actual revenues on a budgetary basis were \$6 compared to the budgeted amount of \$0. The \$6 positive variance is the result of the District not budgeting for interest income.

Project Fund Budgeting Highlights

For the fiscal year ending June 30, 2020, the District had no activity in this fund and did not budget any activity accordingly.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

Local, national and international economic factors influence the District's revenues. Positive economic growth correlates with increased revenues from sales taxes. Economic growth in the local economy may be measured by a variety of indicators such as employment growth, unemployment, and new construction and assessed valuation. The District has prepared its budget for the next fiscal year considering the economic factors discussed above.

CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, customers, investors and creditors with a general overview of the District's finances and to show the District's accountability for the money it receives. If you have questions about this report or need additional information, contact the District.

Eureka Pointe Community Improvement District

Notes to Financial Statements
For the Year Ended June 30, 2020

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

Pursuant to the Community Improvement District Act, Sections 67.1401 to 67.1571, inclusive, of the Revised Statutes of Missouri, as amended (the "CID Act") and Ordinance No. 1876 (the "Approving Ordinance"), the City of Eureka, Missouri (the "City") approved formation of the Eureka Pointe Community Improvement District (the "District") for the purpose of financing certain improvements referenced in the Approving Ordinance and further defined below (the "Project").

Pursuant to CID Resolution No. 06-006, the CID entered into a Ground Lease dated as of September 28, 2006 (the "Lease Agreement"), pursuant to which Holloway LLC, a Missouri limited liability company (the "Developer"), has agreed to construct and implement the Project and the CID has agreed to issue its obligations to finance a portion of such Project.

The Project is described as follows:

The design and development of a paved, asphalt parking lot and related improvements which are designed to enhance the safety of commuters in and around the District as well as facilitate more efficient traffic and parking patterns in, through and around the District.

On February 23, 2006, the Board of Directors of the CID approved Resolution No. 06-004 authorizing a 1/2% sales and use tax and a 3/8% sales and use tax (individually and collectively, the "CID Sales Tax"), for a period of 20 years from the date each CID Sales Tax becomes effective in the District, on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the CID, if such property and services are subject to taxation by the State of Missouri pursuant to the provisions of Sections 144.101 and 144.525 of the Revised Statutes of Missouri, as amended, except the sale or use of motor vehicles, trailers, boats or outboard motors, or to public utilities.

On May 16, 2006, the qualified voters of the CID approved the CID Sales Tax by election, which CID Sales Tax became effective on November 1, 2006, pursuant to Section 67.1545.3 of the CID Act.

The CID determined that it was in the best interests of the CID to issue its Taxable Community Improvement District Revenue Notes, Series 2006 (the "CID Notes") for the purpose of (a) financing certain costs associated with the Lease Agreement and (b) paying costs of issuance for the CID Notes.

On September 28, 2006, the CID approved a Certificate of Reimbursable CID Project Costs submitted by the Developer pursuant to the terms of the Lease Agreement. The Board of Directors of the CID adopted Resolution No. 06-009 (the "Note Resolution"), authorizing the issuance of the CID Notes pursuant to a Trust Indenture. Pursuant to the Note Resolution, the CID was authorized to execute and deliver the Indenture for the purpose of issuing and securing its CID Notes in an aggregate principal amount of \$600,000.

A reporting entity is comprised of the primary government, component units, and other organizations that are included to insure that the financial statements of the District are not misleading. The primary government consists of all funds, departments, boards and agencies that are not legally separate from the District.

Component units are legally separate organizations for which the District is financially accountable. The District is financially accountable for an organization if the District appoints a voting majority of the organization's governing board and (1) the District is able to significantly influence the programs or services performed or provided by the organization; or (2) the District is legally entitled to or can otherwise access the organization's resources; the District is legally obligated or has otherwise assumed the responsibility to finance the deficits of, or provide financial support to, the organization; or the District is obligated for the debt of the organization. Component units may also include organizations that are fiscally dependent on the District in that the District approves the budget, the issuance of debt, or the levying of taxes. The District has no component units.

Eureka Pointe Community Improvement District

Notes to Financial Statements
For the Year Ended June 30, 2020

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Reporting Entity (Concluded)

The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The most significant of the District's accounting policies are described below.

A) BASIS OF PRESENTATION

Special-purpose governments engaged in a single governmental program and having no component units may present financial statements as combining fund financial statements with government-wide statements. This is illustrated on the Statement of Net Position and Governmental Funds Balance Sheet - Cash Basis and Statement of Activities and Governmental Fund Revenues, Expenditures and Changes in Fund Balances - Cash Basis.

In the fund financial statements, financial transactions and accounts of the District are organized on the basis of funds. The operation of each fund is considered to be an independent fiscal and separate accounting entity, with a self-balancing set of accounts recording cash and/or other financial resources together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations. The fund statements are also presented on a cash basis of accounting.

The following is a brief description of the specific funds used by the District.

Governmental Funds

General Fund – The District internally maintains three separate funds that make up the General Fund, as follows:

Special Trust Fund - The Special Trust Fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund. Revenues are derived primarily from sales taxes.

Revenue Fund – On or before the 20th calendar day of each month (or the next Business Day thereafter if such day is not a Business Day), while the CID Notes remain Outstanding, the District shall transfer (subject to annual appropriation by the District) all Net Revenues on deposit in the Special Trust Fund to the Trustee for deposit into the Revenue Fund. The foregoing provisions shall not be construed to impose any legal obligation on the District to appropriate moneys for the payment of the Notes. The Trustee shall notify the District and the Original Purchasers if the Trustee has not received such funds on or before the 22nd calendar day of each month (or the next Business Day thereafter if such day is not a Business Day).

Moneys in the Revenue Fund shall be disbursed at such times necessary by the Trustee for the purposes and in the amounts as follows:

First, to the United States of America, an amount sufficient to pay rebate, if any, owed under Section 148 of the Code, as directed in writing by the District pursuant to the Arbitrage Certificate;

Second, to the Trustee or any Paying Agent, an amount sufficient for payment of fees and expenses (not to exceed \$5,000 annually) which are due and owing to the Trustee or any Paying Agent, upon delivery to the District and the Trustee of an invoice for such amounts;

Third, to the Operating Fund, 50% of the Annual Operating Fund Deposit;

Eureka Pointe Community Improvement District

Notes to Financial Statements
For the Year Ended June 30, 2020

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

A) BASIS OF PRESENTATION (CONTINUED)

Fourth, to the Debt Service Account of the Debt Service Fund, when necessary, an amount sufficient to pay past-due interest, if any owing on the Notes; and

Fifth, to the Debt Service Fund, to be applied in accordance with Section 403 of the Trust Indenture.

Upon the payment in full of the principal and interest on the Notes (or provision has been made for the payment thereof as specified in the Indenture) and the fees, charges and expenses of the Trustee, the Paying Agent, and any third parties, and any other amounts required to be paid under this Indenture, all amounts remaining on deposit in the Revenue Fund shall be paid to the District for deposit in the Special Trust Fund.

Operating Fund – Moneys in the Operating Fund shall be disbursed by the Trustee without inquiry or investigation from time to time upon receipt of a written request of the Authorized District Representative to pay Administrative Costs, the principal of or interest on the Notes, or any other lawful purpose of the District. Any Administrative Costs in excess of the Annual Operating Fund Deposit shall be carried forward for payment from the next deposit of the Annual Operating Fund Deposit.

Debt Service Fund – Except as otherwise provided, all amounts paid and credited to the Debt Service Fund shall be expended solely for the payment of the principal of, redemption premium, if any, and interest on the Notes as the same mature and become due or upon the redemption thereof.

The District authorizes and directs the Trustee to withdraw sufficient moneys from the Debt Service Fund to pay the principal of and interest on the Notes as the same become due and payable and to make said moneys so withdrawn available to the Paying Agent for the purpose of paying said principal of and interest on the Notes.

The Trustee shall use any moneys remaining in the Debt Service Fund to redeem all or part of the Notes Outstanding and interest to accrue thereon prior to such redemption, in accordance with and to the extent permitted by Article III of the Trust Indenture, so long as said moneys are in excess of the amount required for payment of Notes theretofore matured or called for redemption.

After payment in full of the principal of and interest on the Notes (or provision has been made for the payment thereof as specified in the Indenture), and the fees, charges and expenses of the Trustee and any Paying Agent and any other amounts required to be paid under the Indenture, all amounts remaining in the Debt Service Fund shall be paid to the CID for deposit into the Special Trust Fund.

Project Fund – Upon the acceptance by the District of a Certificate of Reimbursable Project Costs and the issuance or endorsement of a Note pursuant to the Indenture, the Developer shall be deemed to have advanced funds necessary to purchase such Note and the District shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer or paid for in full such costs from the amounts deemed to be on deposit in the Project Fund.

B) BASIS OF ACCOUNTING

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. Government-wide financial statements and Fund Financial Statements are prepared using the cash basis of accounting, a special purpose framework. Under the cash basis, revenues are recognized when received rather than when earned and expenditures are recognized when cash is disbursed rather than when the obligation is incurred.

Eureka Pointe Community Improvement District

Notes to Financial Statements
For the Year Ended June 30, 2020

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C) BUDGETS AND BUDGETARY ACCOUNTING

The District follows these procedures in establishing the budgetary data reflected in the financial statements:

- 1) In accordance with Section 67 of the Missouri Revised Statutes, the budget officer, as designated by the District, prepares and adopts an annual budget which represents the complete financial plan for the ensuing budget year. The budget includes at least the following information:
 - a) A budget message describing the important features of the budget and major changes from the preceding year;
 - b) Estimated revenues to be collected from all sources for the budget year, with a comparative statement of actual or estimated revenues for the two years next preceding, itemized by year, fund, activity and object;
 - c) The amount required for the payment of interest, amortization, and redemption charges on the debt of the District;
 - d) A general budget summary.
 - i. In no event shall the total proposed expenditures from any fund exceed the estimated revenues to be received plus any unencumbered balance or less any deficit estimated for the beginning of the budget year.
 - ii. The District may revise, alter, increase or decrease the items in the proposed budget, subject to such limitations as may be provided by law provided, that in no event, shall the total authorized expenditures from any fund exceed the estimated revenues to be received plus any unencumbered balance or less any deficit estimated for the beginning of the budget year.
- 2) The District shall, before the beginning of the fiscal year, approve the budget and approve or adopt such orders, motions, resolutions or ordinances as may be required to authorize the budgeted expenditures and produce the revenues in the budget.
- 3) After the District has approved the budget and approved or adopted the orders, motions, resolutions or ordinances required to authorize the expenditures proposed in the budget, the District shall not increase the total amount authorized for expenditure from any fund, unless the District Council adopts a resolution setting forth the facts and reasons making the increase necessary and approves or adopts an order, motion resolution or ordinance to authorize the expenditures.

The 2020 budget was approved at the regularly scheduled Board of Directors' meetings.

D) CAPITAL ASSETS AND LONG-TERM LIABILITIES

In accordance with the cash basis of accounting, the government-wide and fund financial statements report capital asset additions as expenditures when cash is expended and debt proceeds are shown as other financing sources when cash is received. Debt principal payments are shown as expenditures when payments are made. Capital assets and long term liabilities are not maintained on these financial statements but long term debt is disclosed later in these notes to the financial statements.

E) FUND BALANCE AND NET POSITION

Net Position represents the difference between assets and liabilities. Net Position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the District or through external restrictions imposed by laws or regulations of the government. All other net position that does not meet the definition of "restricted" are reported as unrestricted net position. It is the District's policy to expend restricted resources first if the restrictions are met.

Eureka Pointe Community Improvement District

Notes to Financial Statements
For the Year Ended June 30, 2020

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONCLUDED)

E) FUND BALANCE AND NET POSITION (CONCLUDED)

Fund balances are classified as follows:

Nonspendable- This classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) are legally or contractually required to be maintained intact. The District did not have any nonspendable fund balance as of June 30, 2020.

Restricted- This classification includes amounts for which constraints have been placed on the use of the resources either (a) externally imposed by creditors (such as through a debt covenant), grantors, contributors, or law or regulations of other governments, or (b) imposed by law through constitutional provisions or enabling legislation. The District had an ending balance of \$8,869 for restricted fund balances that consisted of the Debt Service Fund.

Committed- This classification includes amounts that can be used only for specific purposes pursuant to constraints imposed by formal action of the District's Board. These amounts cannot be used for any other purpose unless the Board removes or changes the specified use by taking the same type of action (ordinance or resolution) that was employed when the funds were initially committed. This classification also includes contractual obligations to the extent that existing resources have been specifically committed for use in satisfying those contractual requirements. The District had no committed resources as of June 30, 2020.

Assigned- This classification includes amounts that are constrained by the District's intent to be used for a specific purpose but are neither restricted nor committed. This intent can be expressed by the District Board through budgetary process. The District had no assigned resources as of June 30, 2020.

Unassigned- All amounts not included in other spendable classifications.

The District would typically use Restricted fund balances first, followed by Committed resources, and then Assigned resources, as appropriate opportunities arise, but reserves the right to selectively spend Unassigned resources first to defer the use of these other classified funds.

2) CASH AND CASH EQUIVALENTS

The District complies with various restrictions on deposits and investments, which are imposed by the state statutes as follows:

Deposits - All deposits with financial institutions must be collateralized in an amount at least equal to uninsured deposits.

Investments - The District may invest in bonds of the State of Missouri or any wholly owned corporation of the United States; or in other short-term obligations of the United States.

Cash of the District at June 30, 2020 is as follows:

Deposits

At June 30, 2020, the carrying amount of the District's deposits was \$51,632 and the bank balance was \$51,632. The balance in the Special Trust Fund was \$85 at year end; any balance maintained in this account would be covered by federal depository insurance up to \$250,000. All cash balances with the Trustee were invested in Fidelity U.S. Treasury Money Market accounts. Due to the short-term nature of investments, cash balances are classified as cash equivalents in the District's basic financial statements. The Fidelity U.S. Treasury Money Market Fund is not insured by Federal Depository Insurance Coverage. The Fund, however, invests only in direct obligations of the United States and repurchase agreements for direct obligations of the United States.

Investments

There were no investments at year ending June 30, 2020.

Eureka Pointe Community Improvement District

Notes to Financial Statements
For the Year Ended June 30, 2020

3) COMMITMENTS

Pursuant to CID Resolution No. 06-006, the CID has entered into a Ground Lease Agreement dated as of September 28, 2006 (the "Lease Agreement"), pursuant to which Holloway LLC, a Missouri limited liability company (the "Developer") has agreed to construct and implement the Project and the CID has agreed to issue its obligations to finance a portion of such Project.

In connection with the design, development and construction of the parking lot, the Developer has agreed to construct and implement a CID Project described as follows:

The design and development of a paved, asphalt parking lot and related improvements which are designed to enhance the safety of commuters in and around the District as well as facilitate more efficient traffic and parking patterns in, through and around the District.

4) LITIGATION

At June 30, 2020, there were no claims or lawsuits pending against the District.

5) TAXES

The District has imposed a 1/2% sales tax and a 3/8% sales tax on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the CID, if such property and services are subject to taxation by the State of Missouri pursuant to the provisions of Sections 144.010 to 144.525 of the Revised Statutes of Missouri, as amended, except the sale or use of motor vehicles, trailers, boats or outboard motors, or to public utilities. The qualified voters of the CID approved the CID Sales Tax by election, which became effective on November 1, 2006, pursuant to Section 67.1545.3 of the CID Act.

6) LONG-TERM DEBT

Pursuant to Resolution No. 06-004, the CID determined it was in their best interests to issue its Taxable Community Improvement District Revenue Notes, Series 2006 in the aggregate principal amount of \$600,000 for the purpose of (a) financing certain costs associated with the Developer's construction and implementation of the CID Project and (b) paying costs of issuance on the CID Notes. The Revenue Note bears an interest rate of 5.75% and will mature on December 14, 2026.

As of June 30, 2020, the District had a CID Revenue Note payable in the amount of \$263,417. The District incurred no additional debt during the year. They made debt principal payments totaling \$9,415 and interest payments totaling \$20,266. Since the District only pays principal if there are funds available, no debt service requirements are presented in this report.

Following is a summary of the Revenue Notes payable as of June 30, 2020:

Revenue notes payable, July 1, 2019	\$	272,832
Notes issued		-
Notes retired		(9,415)
Revenue notes payable, June 30, 2020	\$	<u>263,417</u>

7) PROJECT COSTS

During the year ending June 30, 2020, the District had no additional investments in improvements and project costs.

Eureka Pointe Community Improvement District

Notes to Financial Statements
For the Year Ended June 30, 2020

8) SUBSEQUENT EVENTS

These financial statements considered subsequent events through November 17, 2020, the date the financial statements were available to be issued.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The District's operations are heavily dependent on the ability to raise taxes, assess fees, and access the capital markets. Additionally, access to grants and contracts from federal, state and local governments may decrease or may not be available depending on appropriations. The outbreak may have a continued material adverse impact on economic and market conditions, triggering a period of global economic slowdown. This situation is expected to depress the tax bases and other areas in which the District received revenue during fiscal year 2020. As such, this may hinder our ability for the District to meet the needs of its constituents. It may also lead to the District to seek debt forbearance and additional sources of debt. As such, our financial condition and liquidity may be negatively impacted for the fiscal year 2020.

**Independent Auditor's Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Government Auditing Standards**

To the Board of Directors
Eureka Pointe Community Improvement District
Eureka, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Eureka Pointe Community Improvement District, as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise Eureka Pointe Community Improvement District's basic financial statements, and have issued our report thereon dated November 17, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Eureka Pointe Community Improvement District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Eureka Pointe Community Improvement District's internal control. Accordingly, we do not express an opinion on the effectiveness of Eureka Pointe Community Improvement District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Eureka Pointe Community Improvement District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our

**Independent Auditor's Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards* (Concluded)**

tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
